(c) comments on this application are as follows:-

Please could you put the following notes on any approval, stating that:-

1. Under Regulation (EC) No 852/2004 Article 6(2), food business operators must register food establishments under their control with the local Environmental Health Department. If planning permission is granted you must contact the Public Protection Unit, which is part of this Authority.
2. Planning approval does not ensure that the proposed development will or does comply with food hygiene legislation. You are therefore advised to contact the Public Protection Unit, which is part of this authority before work commences for advice on how to comply.
