On behalf of Bridgwater Area Cycling Campaign (BACC) [www.thebacc.org.uk](http://www.thebacc.org.uk)  
 We welcome the renewal of Bridgwater's motorway service area, as we recognise its importance to the local economy. The current service area is sorely in need of an upgrade.  
 However, we note that the plans for the new facility show only four secure cycle lockers for the staff, which is disappointing. Can the LPA please apply a condition for this scheme to incorporate greater provision for active travel?
