Full Name	Mr O Martin
Email	[REDACTED]
Postcode	TA6 6RD
Full Address	8, Bridgwater Road, North Petherton, Bridgwater, TA6 6RD
Opinion	Support
Comments	<p>A well overdue improvement. Locating this motorway services facility on the Eastern side of M5 will massively alleviate traffic pressure on the A38 and approaches to the current services. It will ensure traffic using it is separated from traffic leaving & joining the M5 from the A38. Too much holiday traffic has clogged the current services, the M5/A38 link road and approaches for far too many years.</p>
