### **Comment**

I object to the application for the following reasons.

- 1) There are already motorway services at Junction 24, 23, Taunton Dean which is 12 miles from J24 and Sedgemoor Services 27 miles from Junction 24
- 2) Huntworth and Junction 24 are already subjected to congestion in the summer months and Huntworth increasingly so since Marsh Way has opened out onto Squibbers Way (2020) resulting in more local traffic using Huntworth as a short cut to avoid Bridgwater traffic. The nursery in Notaro holiday village has also resulted in an increase in local traffic.
- 3) Concerns regarding noise, air and light pollution and the impact of this on the physical and mental wellbeing of residents in Huntworth
